LITTLE LEAGUE, INTERMEDIATE, JUNIOR, AND SENIOR BASEBALL TOURNAMENT DRESS CODE

1. Little League – Docker-type pants, slacks or hemmed shorts are required for managers and coaches; no denim-type pants/shorts or camo pants/shorts will be allowed. Gusseted pockets on cargo-type shorts should lay flat. Shorts, including cargo-type shorts, **MUST** be no higher than 2 inches above the knees and no lower than the knees. The pants, slacks or shorts must be the same color for the manager and coaches. Collared shirts or team jersey/tee shirts are required and should be tucked in the pants. No tank tops are allowed.
2. Intermediate/Junior/Senior League – Managers and coaches may wear full uniforms. If not in full uniform, the same dress code for Little League will apply here.
3. No open toe shoes or sandals will be allowed.
4. Team hats are required for the manager and coaches.

Any manager or coach who does not conform to the dress code will not be allowed on the playing field before or during the game.

The purpose of the dress code is to insure an acceptable uniform appearance of all participants and to promote a positive role model for the players and spectators at the tournament sites. The host District Administrator, or his/her designee (e.g. ADA or tournament director) at the tournament site, will use their discretion in determining what is appropriate within the guidelines of the dress code and their determination is final for their tournament site.

It is recommended that copies of the dress code be given to all tournament team managers and that a signed copy be returned to the tournament director.

Approved by vote of the Northern California District Administrators at the October 20, 2018 DA meeting.

California District 47 Little League 2024 Player Pool Guidelines

Before the start of **District TOC's** (TOC's), each league player agent (or acting player agent) for each league division participating in TOC's shall check with the manager of the TOC team to see if pool players may be needed. A pool of players from existing regular season teams within their respective division can be created with players that are willing to participate in TOC's when a team faces a shortage of rostered players. **The list of eligible pool players must be submitted to the Tournament Director with a copy to the DA prior to the start of the TOC tournament.**

Steps to Obtain a Pool Player:

- I. The manager must determine that they may be in need of a player(s). (Note: D47 has adopted the Rule 4.16 & 4.17 that a game may be played with 8 players. However, the empty slot in the batting lineup **is an out** for all divisions of play.)
- II. A manager may use up to three pool players to fill their roster. However, a team utilizing pool players shall have a maximum of 10 players on their roster for a given game including the pool player(s).
- III. The manager must contact the division Player Agent and ask for a Pool player(s). **ONLY** the Player Agent can assign a Pool Player to a team. Give as much notice as possible for the Player Agent to obtain a Pool Player for assignment.

NOTE: Managers and/or coaches do not have the right to choose their pool players.

TOC Rules for Pool Players:

- I. Assigned Pool Player must be obtained through the Player Agent only.
- II. Assigned Pool Player can only play an *outfield position*.
- III. Non-pool players shall fill all starting positions in the lineup before pool players can be used as starters. *Clarification: Pool players shall be placed at the bottom of the batting order. They may be placed defensively at any time. (Non-pool players must still meet regular mandatory play requirements.)*
- IV. Assigned Pool Players shall have mandatory play of one at bat and nine defensive outs *unless the game is shortened for any reason*. Any assigned pool player that shows for a game must play in that game.
- V. An assigned Pool Player will wear their regular season uniform, not one of the TOC team. Managers shall identify their pool player(s) to the umpire and official scorer prior to the start of the game.

Pool Players Obtained Improperly:

- I. If a manager obtains a Pool Player improperly, that manager will be suspended for his/hernext scheduled TOC game.
- II. Any Pool Player that is not obtained properly should be considered an ineligible player and the opposing manager can protest the game. 4.19(a).
- III. Improper use of a pooled player may result in penalty up to and including forfeiture of the game as determined by District staff.

Pool player guidelines for TOC Team if the League only one team in the division.

- a) If the league's constitution and/or bylaws allow pulling a **lower division** player up, the manager will contact the player agent from the next lower division to request a pool player.
- b) The player's age must fit within the league's established alignment for the division of play.
- c) Under no circumstances can a player be pulled **DOWN** to a lower division as a TOC pool player even if they are age appropriate.

2024 California District 47 TOC

Respect

Disrespect and poor sportsmanship from any managers, coaches, and spectators can ruin the Little League experience for all participants. Unfortunately, some people seem to have either forgotten or never learned what Little League is about. For TOCs, we will be encouraging and enforcing a high standard for our teams and their fans.

In general, the actions and sportsmanship of a team's players, coaching staff and fans are the responsibility of the team's manager. The umpire crew will work with the manager of each team to help maintain proper field and game decorum but the responsibility of those that are part of any team's group is the manager's responsibility and District umpires will be instructed as such.

Note the following:

1. Managers are responsible for the behavior of themselves, their players, their coaching staff and their fans.
2. In the case of bad behavior of any of the above, the manager of the offending team will be asked to address and resolve any problems within the responsibility noted above. If they are not able to do so to the satisfaction of the umpire staff, they may be ejected from the game.
3. If the infractions continue, a coach filling in for an ejected manager may be ejected as well, the game may be delayed or whatever other action needs to take place to remove the source of the bad sportsmanship may be invoked.
4. Tournament hosts will have final authority as to upholding the removal of any individual from a game and for any additional penalty it deems appropriate. Penalty could include eliminating an individual's (coach, player, spectator) attendance at future game(s). Ultimately, a team may be removed from TOCs completely.
5. Sportsmanship extends off the field. This includes online postings, etc. and will result in removal from the tournament.
6. Last note: any individual that is ejected from a game cannot be in attendance at the grounds of their team's next game. This rolls over to all-stars if this is their last game of TOCs'.

The bottom line here is that our umpires and tournament officials will be asked to assume a position of low tolerance for poor sportsmanship and behavior inappropriate for D47 Little League. The District encourages all managers to communicate this policy to all involved with their team so that we can all be on the same page as to acceptable behavior as we go forward.

D47 Administration

Rule 7.08 Any runner is out when –

(a)(3) the runner does not slide or attempt to get around a fielder who has the ball and is waiting to make the tag.

INTENTIONAL WALK (Baseball all division)

Rule 6.08(a)(2) The defense (manager) elects to “Intentionally Walk” the batter by announcing such decision to the plate umpire at any time prior to or during the at-bat.

Note 2: The ball is dead, no runners may advance unless forced. Appropriate number of balls needed based on the count on the batter to complete the Intentional Walk will be added to the pitch count.

INTENTIONAL WALK (Softball – all divisions)

Rule 6.08(a)(2) The defense (manager) elects to “Intentionally Walk” the batter by announcing such decision to the plate umpire any time prior to or during the at-bat.

Note 2: The ball is dead, no runners may advance unless forced.

Softball Only - Rule 8.01 and 8.05 Penalty – Extends the revised penalty for an illegal pitch to the Junior and Senior Softball Divisions.

- **PENALTY:** The penalty imposed for violation of all subsections of rule 8.01, with the exception of subsection (i), is an illegal pitch. Violation of (i) is ruled as a No Pitch. The pitch shall be called a ball. If a play follows the illegal pitch, the manager of the offense may advise the plate umpire of a decision to decline the illegal pitch penalty and accept the play. Such election shall be made immediately at the end of the play. However, if the batter hits the ball and reaches first base safely, and if all base runners advance at least one base on the action resulting from the batted ball, the play proceeds without reference to the illegal pitch.

Chanting, Walk-up Music, etc. Guidelines

Walk-up music, chanting or other such things done by a team that interferes with the other team’s players, especially the pitcher and batter, falls under sportsmanship (though specific instances may be interpreted by the umpire as interference.) D47 guidelines are that music is off, and chanting or loud noises are diminishing when the pitcher “toes the rubber or pitcher’s plate”. An offending team should be warned, after a 2nd warning, the umpire should have the team keep the music off or stop the chanting or noise-making altogether. If this continues, an offending player and/or manager may be ejected for unsportsmanlike conduct.

Note that this is solely the umpire's judgment.
